## Download Instructions for iOS and Android Devices

As a supplement to your computer-based program you also have the possibility of using your mobile device. As a registered user of Rosetta Stone® Foundations, you can download the **Learn Languages: Rosetta Stone** app for free from the Apple iTunes® App Store (iOS) or Google Play™ store (Android™).

Check here to see system requirements for Android and iOS.

iOS DEVICES (APPLE):

1. Search the iTunes Store for **"Learn Languages with Rosetta Stone"** and install the app:

2. Once the app is installed, you will see the following screen when you launch. Click on **"Sign in"**:

3. Select **"Work or School"**:

ANDROID DEVICES:

1. Search Google Play for **"Learn Languages with Rosetta Stone"** and install the app:

2. Once the app is installed, you will see the following screen when you start up. Click on **"Sign in"**:

3. Select **"Work and School"**:

iOS DEVICES (APPLE):

4. Enter your **Username**, **Password**, and the **Namespace** of your online portal, and click the **"Sign in"** button:

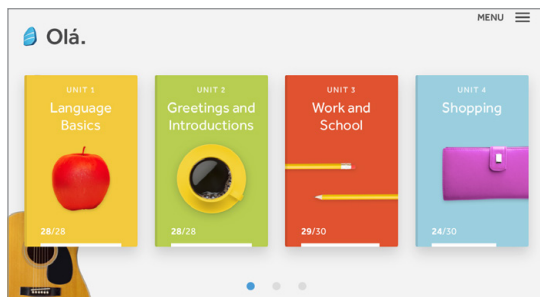

The namespace of your online portal is:

5. Once you have successfully logged in, you can start learning! This is the first screen you should see:

ANDROID DEVICES:

**4.** Enter your **Username** and **Password**, and then click **"Next"**:

Enter the name of your **Online-Portal**:

The namespace of your online portal is:

5. Once you have successfully logged in, you can start learning! This is the first screen you should see:

Note:

When you are using the **Learn Languages: Rosetta Stone** app, you will need a continuous Internet connection so that your progress may be synchronized with other devices you use.

The **Writing** and **Milestone** activities cannot be accessed via the mobile app. These activities can be completed online on your computer (Windows/Mac).

Rosetta Stone.
